FIELD NOTES

AdaPDF / Sample three-page report

Observation 1: A clear report is easier to follow.

Observation 2: A clear report is easier to follow.

Observation 3: A clear report is easier to follow.

Observation 4: A clear report is easier to follow.

Observation 5: A clear report is easier to follow.

Observation 6: A clear report is easier to follow.

Observation 7: A clear report is easier to follow.

Observation 8: A clear report is easier to follow.

PROJECT FINDINGS

AdaPDF / Sample three-page report

Observation 1: A clear report is easier to follow.

Observation 2: A clear report is easier to follow.

Observation 3: A clear report is easier to follow.

Observation 4: A clear report is easier to follow.

Observation 5: A clear report is easier to follow.

Observation 6: A clear report is easier to follow.

Observation 7: A clear report is easier to follow.

Observation 8: A clear report is easier to follow.

NEXT STEPS

AdaPDF / Sample three-page report

Observation 1: A clear report is easier to follow.

Observation 2: A clear report is easier to follow.

Observation 3: A clear report is easier to follow.

Observation 4: A clear report is easier to follow.

Observation 5: A clear report is easier to follow.

Observation 6: A clear report is easier to follow.

Observation 7: A clear report is easier to follow.

Observation 8: A clear report is easier to follow.
